## FRIDAY DRIVERS PARADE HOSPITALITY

The drivers parade takes place in Le Mans town centre on Friday afternoon. Close to 250,000 spectators pack into the city centre beneath the magnificent cathedral to enjoy the carnival atmosphere.

Marching bands, dancers, jugglers and race drivers in vintage open cars, each carrying a race crew all passing just a few metres from the crowds. Whilst there are plenty of bars & restaurants, with no pre booking, these get very crowded with long queues for tables.

Our solution provides a comfortable and relaxed way to enjoy this iconic evening.
